

Position Title:

Licensed Electrician

Location:

Peterborough and Kawartha areas, Oshawa, Port Hope

Job Description:

SRP Electric is looking for a Licensed Electrician to fill a direct-hire full-time position currently available.

Position Responsibilities Include:

1. Assemble, install, test, and maintain electrical or electronic wiring, equipment, appliances, apparatus, and fixtures, using hand tools and power tools.
2. Diagnose malfunctioning systems, apparatus, and components, using test equipment and hand tools, to locate the cause of a breakdown and correct the problem.
3. Connect wires to circuit breakers, transformers, or other components.
4. Inspect electrical systems, equipment, and components to identify hazards, defects, and the need for adjustment or repair, and to ensure compliance with codes.
5. Maintain current electrician's license or identification card to meet governmental regulations.
6. Plan layout and installation of electrical wiring, equipment and fixtures, based on job specifications and local codes.
7. Direct and train workers to install, maintain, or repair electrical wiring, equipment, and fixtures.
8. Follow blueprints to determine the location of wiring and equipment and to ensure conformance to building and safety codes.
9. Perform business management duties such as maintaining records and files, preparing reports and ordering supplies and equipment.
10. Work from ladders, scaffolds, and roofs to install, maintain or repair electrical wiring, equipment, and fixtures.

Position Skill and Competency Requirements:

1. Current Ontario Licence (in good standing)
2. Commercial Background will be an advantage
3. Enjoyment in working with electrical systems and concern for safety
4. Knowledge of electrical standards for installation and repairs
5. Aptitude for mathematics and science
6. Background in technical and mechanical knowledge and skills
7. Good eyesight, hand-eye coordination, creativity and a logical approach to problem-solving
8. Physical strength and endurance
9. Ability to understand blueprints and specifications
10. Knowledge about computerized systems
11. Ability to work alone or as a member of a team
12. Ability to communicate with customers and co-workers politely
13. Interest in the latest technology

About SRP Electric:

SRP Electric is a Canadian-owned and operated company. We are a young, dedicated, fun and open-to-ideas kind of team that is on the path to empowering the future.

Why Join Our Team?

After almost 25 years of commercial, industrial, solar and residential electrical contracting experience, SRPE's team of electricians and experienced engineers represent the most diverse collection of contractors in Central Ontario. With a practical, hands-on understanding of sustainable technology, certification for a full list of government grants and subsidies, and a long-standing working familiarity with the Central Ontario commercial and industrial sectors, SRP Electric is prepared for projects of all scopes and sizes.
